Connect with Your Community

Dear Colleagues,

Even though I've participated in the Combined Federal Campaign for many years, it seems to me this year is a particularly opportune time to connect to our neighbors through the CFC. You know the stories. You know the needs. Local needs have been particularly newsworthy this year-- hunger, homelessness, and unemployment in Oregon and Washington for example. Let's come together now as a Federal Community to help our neighbors.

And through the CFC it's easy. Over the years we have developed a process that is flexible and offers each of us choices. "Community" can take many forms, as you'll see by scanning this booklet. You will find it personally rewarding to find the community or communities you wish to help, and use the CFC to make the connection.

Your contribution matters!

Thank you,

Our Thanks to You

Your CFC Contribution at Work

Every dollar that you contribute makes a difference in communities locally, nationally and around the globe. For example:

\$5/month	gives 12 round-trip van transportation rides to adult day care.
\$7/month	gives food and shelter for the night to eight homeless people.
\$8/month	supports a re-vegetation project along a local stream.
\$9/month	buys an emergency shelter for an earthquake victim.
\$15/month	provides three home visits by a nurse to a stroke victim.
\$19/month	provides one night of protective services for 14 abused children.
\$25/month	provides an adaptive tricycle for a disabled child.
\$38/month	provides drug and alcohol abuse programs for 30 grade-school kids.
\$40/ month	pays for the planting of 5 street trees in low-income neighborhoods.

Campaign Overhead Rate

We are working harder to ensure that more of your contribution goes to the charities you choose to support. Last year the overhead rate to administer the local CFC fell to **6.7%**, one of the lowest rates in the country for a campaign of our size.

Your Generosity is Appreciated

Each contribution is important to our campaign, no matter how large or small. Everyone who makes a check, cash or payroll deduction donation will receive the handsome Myron Stratus pen shown at right as a symbol of our thanks for your support of the charities that depend on the CFC. Ask your campaign coordinator about it when you turn in your pledge form!

Leaders in Giving

We give special thanks to those individuals who demonstrate their leadership by contributing \$1,000 or more. Only \$38.50 per pay period (\$83.33 for military servicemen and women) to your favorite charities will put you in this special group of donors.

Last year **193 caring people** in our region gave at this level, the highest number on record for our CFC for the third year in a row!

Introduction to the CFC

The CFC: Its Story and Mission

The mission of the Combined Federal Campaign (CFC) is to support and to promote philanthropy through a program that is employee-focused, cost-efficient and effective in providing all Federal employees the opportunity to improve the quality of life for all.

With a tradition of commitment to the community through the selfless efforts of Federal employees, the CFC has its roots in the many charitable campaigns of the early 1960's. Seeing a need to bring the diversity of fundraising efforts under one umbrella, Federal employees created the CFC-one campaign, once a year. By allowing employees to select the organizations of their choice from a single brochure and to make their contributions through payroll deductions, the CFC opened wide the door to more opportunities for generous giving to literally hundreds of worthy causes. An Executive Order made the CFC a reality, and turned an innovative idea into a uniquely effective way for Federal employees to help those in need across our community and throughout the world. The CFC is the only authorized solicitation of employees in the Federal workplace on behalf of charitable organizations. It continues to be the largest and most successful workplace fundraising model in the world.

You Accomplish So Much With Your CFC Gift

This year, many local, national, and international voluntary agencies will benefit from your thoughtfulness and generosity. A few minutes of your time today can mean meals for hungry children, relief for families in need of counseling, further work on cures for diseases, comfort for the dying, access to water in the Third World, environmental protection, and better lives and renewed hope for millions of people in our global community.

Payroll Deduction Lets You Help All Year Long

Payroll deduction makes it convenient for you to give by letting you spread your contribution across the entire year. Last year, more than 90% of all CFC funds raised were given through payroll deduction. Payments on payroll deduction pledges begin on the first pay period in January. Because there is no simpler way for you to make good things happen for so many people, payroll deduction helps you care for your community and your world.

You Control Where Your Gift Will Go

All Federal employees have the right to contribute or not to contribute to the CFC. The choice is yours. Through your designation, you ensure that your donation goes to meet those needs that you feel are most important. You may designate to the organizations of your choice where indicated on your pledge card. Additional designations must be completed on a second pledge card. Except for documented expenses for the operation of the local CFCs and uncollected pledges, all contributions are distributed as designated. Every local campaign has a Local Federal Coordinating Committee, comprised of Federal employees, which must approve and monitor campaign expenses.

Please do not designate to an organization that is not listed in this

brochure. Adding organizations not listed, or "write-ins", is prohibited and donations to such organizations cannot be accepted. If you prefer, you may donate to the CFC anonymously by placing your confidential gift in a sealed envelope. All funds contributed to the CFC that are not designated to a specific organization or federation will be distributed to all organizations listed in the CFC brochure in the same proportion as the contributions designated to them.

How do Charities Qualify for Listing in the CFC Brochure?

All charities listed applied for participation in the CFC either at the national or local level. National charities with documented programs in at least fifteen states or a foreign country applied directly to the U.S. Office of Personnel Management (OPM). Only those agencies certified by OPM are listed in this brochure in the "National/International Organizations" and the "International Organizations" sections.

The Local Federal Coordinating Committee (LFCC) is Your "Board of Directors"

The Local Federal Coordinating Committee (LFCC) approved local and statewide charities that help residents in this area or in adjacent counties as having met the eligibility standards established by the CFC regulations. The LFCC is composed of Federal employees and representatives of labor unions with Federal employees as members. Decisions regarding the inclusion of charities in your local campaigns are made by the LFCC. LFCCs are also responsible for the oversight of your local CFC in conformance with the CFC regulations and policies established by OPM.

The Principal Combined Fund Organization (PCFO) Manages the CFC

Every year, the LFCC selects one of the voluntary organizations involved in the CFC to manage the campaign and serve as fiscal agent. OPM sets strict requirements for this role. Annual audits are required of the PCFO by an independent CPA.

A Proud Record of Low Fundraising Costs

Through the outstanding oversight efforts of the Federal employees on each LFCC, approximately 8.9% of the funds raised nationwide are spent on printing materials, training volunteers, and auditing contributions. Because this cost is so low compared with other fundraising campaigns, every dollar you pledge goes a very long way toward helping others.

Contributions (less uncollected pledges and approved administrative costs) are distributed to each charity at regular intervals by the Principal Combined Fund Organization in accordance with CFC regulations.

OPM Provides CFC Oversight

OPM has the overall responsibility for the oversight of the CFC. It reviews and provides guidance and technical advice on regulations, and has the authority to conduct compliance audits on any CFC local campaign fiscal records.

If you would like more information about the finances, services, benefits or programs an organization provides, you may contact the organization directly using the information provided with their listing in this brochure. Interested donors may also obtain information about a charity's finances and compliance with charitable organiza-

For general information about trends in giving and volunteering or data on the nonprofit sector, donors may contact: USA Freedom Corps (www.usafreedomcorps.gov/), Independent Sector (www.independentsector.org), the National Center for Charitable Statistics (www.nccs.urban.org), or the American Association of Fundraising Counsel (www.aafc.org).

The Voluntary Spirit of Giving is Guaranteed

Remember, any contribution you make should be freely given. You have the right not to be improperly influenced in making your decision regarding the making or withholding of contributions in the CFC. Coercion is forbidden.

In order to guarantee this voluntary spirit, OPM has identified several practices that are not permitted, including but not limited to: supervisory solicitation of employees supervised, setting of 100% participation goals, providing and using contributor lists for purposes other than the routine collection and forwarding of contributions and installment pledges, establishing personal dollar goals and quotas, and developing and using lists of non-contributors.

Civilian employees who wish to register complaints about coercion should contact the LFCC and consult with their personnel offices; military personnel should consult with their commanding officers.

Special Notice Regarding Donations of \$250 or More

A Federal employee who makes a one-time (cash, check, or money order) contribution of \$250 or more and those who make a payroll deduction contribution of \$250 or more per pay period to a single organization in the CFC should consult a tax adviser to determine if additional verification of the donation is required by the Internal Revenue Service (IRS). Such verification can be obtained by contacting the local CFC office. For a list of local campaign offices and contact information, visit the CFC Home Page.

Brochure Listing

This is the official Combined Federal Campaign (CFC) brochure. Charitable organizations appearing in this brochure have complied with regulations, set forth at 5 CFR Part 950, governing their participation in the CFC.

The brochure consists of a National and International List of organizations, approved by the OPM and a Local List of organizations, approved by the LFCC. Organizations appear on these lists based on the scope of their programs. Each organization entry includes the following information: organization's name and code number, statement of purpose, phone number, website

address, legal name of the organization in parentheses if it is doing business under another name, the employer identification number ("EIN"), and the percentage of fundraising and administrative costs as a percentage of total revenue. The EIN# has been added to provide donors another point of reference if you wish to obtain information about an organization's finances from the IRS (1-877-829-5500). Please note that some organizations may be covered under an umbrella organization's tax exemption status and may not list the EIN#. Religious organizations are exempt from the requirement of having an EIN#.

Types of Organizations Listed

Federations are voluntary charitable human health and welfare organizations established for purposes of supplying common fundraising, administrative, and management services to its members. Each federation is listed with its accompanying members. If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding code number on your pledge card. Contributions designated to a federation will be shared with their member organizations in accordance with the federation's policy. If you wish to designate all or some portion of your contribution to a federation member organization, please record that organization's corresponding code number on your pledge card. Charitable organizations participating in the CFC as members of a federation may pay a percentage of the donations received or a fee to that federation as a service charge. For additional information on whether a charitable organization pays such a fee and/or percentage of donations, you may wish to contact the either the federation or the member charity directly.

Unaffiliated organizations are not affiliated with a federation for the purposes of their participation in the CFC. If you wish to designate all or some portion of your contribution to an unaffiliated organization, please record that organization's corresponding code number on your pledge card.

International General Designation Option

If you wish your contribution to be distributed proportionately to all international organizations that received designated gifts, you may do so by recording the code letters IIII on your pledge card.

Undesignated Funds

Even if you choose not to designate to a specific agency or federation, your contribution will still be accepted. Funds contributed to the CFC, but not designated to a specific organization or federation, will be distributed to all organizations in the CFC brochure in the same proportion as they received in designations. Organizations that do not receive designated dollars cannot receive any donations.
